

# Parent 20 Clicks

## 14.12.21

It's hard to believe that we have come to the end of term 2 and 2021. Our thanks for your continued support. Term 2 has been a challenging and also exceptionally rewarding one - to say the least. In particular we have:

- **Celebrated** - Victories in our sports' teams and seeing our students learn many new skills from our Enrichment Wednesday
- **Supported** - Several charities, one another, our local primary schools in our Enrichment activities
- **Shared** - and developed our digital strategy and good practice.

Thank you for taking the time to read this last edition of Six Clixs. We look forward to welcoming your child back to school from 5th Jan. Thank you for reading the reopening timings carefully. You will see that mass testing forms a key part of our reopening plans - again.

For now wishing you and your family a peaceful and relaxing break. Our Safeguarding team will be available via SHARPs over the holiday.

Mrs Leigh-Bennett & the Kingsdown Team
