

19th July 2019

Dear Parents

I am looking forward to the reward trips next week and would like to give out a couple of reminders.

Thank you in advance of your support in sharing this information with your son/daughter.

- The weather – temperatures for next Wednesday are set to hit 30 degrees and possibly above, can you please ensure that your child has packed sun tan lotion, at least three bottles of water and a hat.
- Medical conditions – can you please ensure that Kingsdown School is clear and has up to date information regarding any medical conditions that your child has and the medication that they required to take and its frequency – please contact kridley@kingsdownschool.co.uk – our school first aider if you think any information needs to be clarified.
- Appropriate clothing – can I please ask for your support in checking and ensuring that your children are appropriately dressed for their trips. Your child will be briefed on Monday of the school's expectations of dress code whilst on a visit.
- Behaviour – our usual expectations regarding following the instructions the first time will stand. We have every confidence that our students will check in at the agreed times announced by their trip leader.
- Mobile Phones – these may be taken on the trip for communication with parents and trip leaders. Mobile phones may be used but students should not take photographs of others.

We are looking forward to the reward trips and look forward to sharing #kingsdownschool message with you all.

Yours sincerely

Mrs Leigh-Bennett
Headteacher
