

Dear Parent,

Open Evening – Thursday 26th September

Selecting a secondary school is a big decision for any family and this year's Kingsdown School Open Evening will be taking place on Thursday 26th September. We will be welcoming many families from across Swindon to share examples of students work and allow parents to hear first-hand from our staff and students about what is like to be a member of the Kingsdown community. We have many new developments to share this year; from the many improvements to our school site to our recent success in GCSE results. Many students have been selected to participate in activities within subject departments and to give tours of the school. For these students, permission slips should be returned by Monday 23rd September.

To support us in the final preparations for this event, there will be an early closure for students on Thursday. Lessons will end at 12:20pm where students will be dismissed to go home. For students eligible for free school meals, lunch items will be served at break time in the main hall.

We would like to thank you in advance for your support in ensuring that Kingsdown is ready for this event and hope to see many of you attend the Open Evening with younger children who will join us in coming years.

With many thanks

Mrs Leigh – Bennett
Headteacher
