

31st January 2020

Dear Parents/Carer

Parents' Evening – Wednesday 12th February 2020

At Kingsdown we are extremely proud of our year 9 students. Their reports have shown a real commitment to learning and rising to the challenge of GCSEs. Our year 9 students are working hard and working together. The year group is characterised by a deep sense of pride and ambition as well as respect and responsibility. Thank you to you as parents for all your support from home and for being in regular contact with the school. This has been most welcomed and appreciated.

By way of sharing their progress data with you, we would like to invite you to our year 9 Parents' Evening on Wednesday 12th February, 4.30pm – 7.30pm. Our evening takes place in our main hall and gyms. On arrival, you will be issued with your son/daughter's report. Here, you will see the progress they have made, their attitude to learning as well as their performance in relation to the class. You will then have the opportunity to meet with your son/daughter's subject teachers. Our appointments are 5 minutes and during these meetings, together you will be able to discuss their progress towards targets and expected outcomes for the end of year 9 and Year 11. We strongly suggest that your son/daughter attends parents evening with you so that they are part of the conversation. Should you wish, you could also make an appointment with your child's tutor.

In order to ensure that the evening runs smoothly, below are details of an electronic system which will allow you to book a time with your child's teachers.

To book a time, use the link below to access the system.
