

# Parent 20 Clicks

14.05.2021

These last few weeks have been exceptionally challenging for us as a school. During these weeks we have continued to support your son / daughter in understanding the importance of their personal safety. These messages include safety online, safety when walking to and from school as well as safety for one another. These messages have a common message of “It’s OK - to talk”.

Thank you for supporting these really important messages from home. If you need any support and guidance, please let us know. Do please get in touch with your child’s progress leader in the first instance.

# How can parents support Home Learning now that we are using Google Classroom?

Here is our second supportive video to show parents how you can receive weekly or daily updates on your child's Google Classroom activity.

It is recommended that you subscribe to weekly emails as this will allow you to see a clear overview of home learning completed and home learning due. As parents you will be able to support in the organisation of your child's home learning just as you were able to when using Satchel One.

For Information

# Thank you from the Chair of Governors

This week our Chair of Governors thanked and recognised the bravery and courage of the Kingsdown First Aiders. Karen, Zoe and Laura were awarded the Kingsdown Badge of Pride - the prestigious Gold Lion. We remain indebted to them and all they do.
