Parent queries:

If you need to contact the school with any query, please email head@kingsdownschool.co.uk or during the COVID-19 school closure or you can text 07860041670. As always we will aim to get back to you within 48 hours.

With our continued best wishes

Everyone at Kingsdown

Safeguarding

Every family is different and people find different ways to cope with lockdown. As the government guidance has changed, you may have a wide range of questions. With this in mind, we have decided to share some links to websites that may be useful to you.

[Supporting children with SEND](#)

[Struggling with social distancing and isolation](#)

[Support in the community](#)

[Worried about money](#)

[Feel safe](#)

As always you can report any concerns on our school website via SHARPs.

Student Support during half term

During half term, we will not have a student bulletin and follow up check in with our students but if they need help and support, please do encourage them to reach out to staff via e mail.

For work related queries they should contact their subject teacher.

For pastoral/well-being concerns, they can contact their tutor/
Progress Leader/ Key worker or use SHARPs on the website.

Student Survey: students in years 7-10

Completing work at home during the school closure is very different to our usual school day and for some students, this has been a challenge. Each week, we look at the SMHW data and can see who has logged on and attempted or submitted work. We fully understand there may be barriers for your child but as we move into term 6, we want to help in any way we can. Please ensure your child has completed the following survey by **5pm on Friday 22nd May**. Thank You

Online Learning

As you will know, we set all students work on Show my Homework. This app has been updated and is now called Satchel One. Please ensure your child is aware.

Kingsdown Stretch & Challenge Zone

An online Stretch & Challenge provision to really get students thinking.

- **Stretch Activities** for Science, Maths, Writing, Creative arts, Humanities and Computing.
