Dear Parents / Carers

This week our Year 11s received their second Mock examination results and latest MLGs - Most Likely Grades in their assembly. We congratulated all those students who had worked hard in preparation and during these examinations. Their hard work and determination is paying off. It was again clear to see that those students who have 95% or better attendance achieved really well. We are looking forward to celebrating our Year 10 students' Mock results early next term. Thank you for your ongoing support from home. If you need any further information please feel free to get in touch with either your child's teacher, tutor or Progress Leader.
