Dear Parents/Carers,

A Kingsdown Year 6 presentation to parents/carers

We hope this letter finds you all safe and well and that you have enjoyed our video where we introduced the team at Kingsdown to you and your family.

As always, if you have any questions, please do not hesitate to get in touch.

We are writing to let you know about the next phase in our transition plans and how we can continue to work together to ensure a smooth transition of your son / daughter to Kingsdown School.

On Thursday 2nd July @6:30pm a Year 6 welcome presentation will go live on the school's website. The presentation will be broadcast on the cohort 2025 tab of the website which can be found here- <https://www.kingsdownschool.co.uk/info/cohort-2025>.

The purpose of this evening is for us to share with you more information about how together, we can get your child "September ready". Additionally, we would like to introduce you and your family to more members of the Kingsdown team. As you can imagine, this is the first time we have done one this way and although this isn't quite the same as meeting you all face to face, we do hope that you find it beneficial.

We are continuing to meet with our Primary year 6 partners and learning lots about your child and their aspirations, ambitions and learning profile.

We are very much looking forward to September. In the mean time we will be sending home information to you and your child every week. Do keep checking the website for more information. As always – if you have any questions, we are only ever an email away.

Looking forward to seeing you and your child soon.

With best wishes
