23 January 2019

Dear Parent/Carer,

Thank you to everyone who was able to visit Kingsdown School for the Science Information Evening. We hope that you found it useful.

For anyone who wanted to visit but was unable to, we have placed the PowerPoint and resources used on the night on the website. You will also find a link to a video which talks you through an 8 step method to revising Science effectively using the resources that your child has been provided with. Please do watch this if you didn't attend.

https://youtu.be/l1Qtio_ZJco

Thank you for your on-going support with encouraging and being involved with your young person's revision leading up to their exams. We hope that this method will support you all further and ensure that the time spent on this is even more effective. Please do not hesitate to contact me further if you have any questions.

Best wishes

Mrs C Edwards
Director of Learning
