Year 11 in
September

Thank you to you, our parents and carers, for your continued support throughout this incredibly different and difficult period. Your understanding, support, input and feedback has been much appreciated. Thank you. These have been very challenging times for you. You have had to juggle work and home commitments along with home learning. Thank you.

Over a 100 days ago we entered this Lockdown period together. In just over 6 weeks we will see your child / our students return to their school - Kingsdown. In essence, we will leave this Lockdown period together. We are very much looking forward to seeing all our students again soon.

Thank you for reading these important slides which outline how we will be reopening Kingsdown. We will be doing this with a carefully planned and considered schedule to support a thorough induction for all students. Our aim is to make sure that all members of our school are able to return and remain at school knowing how to do this with respect and responsibility. Your support here will be key to ensure that your child returns safely, at the right time and with the right equipment.

For now, sending you and your family our very best wishes for a peaceful and relaxing Summer break.

Mrs Leigh-Bennett & all the Kingsdown Team

Safety on Site

Safety of staff and students will continue to be our number 1 priority in September. To support this, each year group has been designated a specific area of the school where they will remain for the majority of lessons. The exception to this will be specialised subjects such as PE, Drama, DT & Music which will be held in the subject area. In order to maintain the cleaning of the site, we have timetabled specialist subjects carefully and have purchased fogging equipment to be able to sanitize teaching spaces between each year group using these spaces.

Please take time to read the following information carefully with your child - we are looking forward to welcoming them back but want to ensure we can do this safely and calmly. Should you have any questions, please do contact us.

Meet, Great and Beat Time

At Kingsdown, we always induct our students into a new term through BEAT TIME. This is to make sure our students are clear on the expectations and are ready for the new term.

September 14th Onwards

From Monday 14th September, all 5 year groups will be on site every day. To support the smooth arrival and departure from site, **students MUST arrive at their designated time and at the correct entry point.** Students arriving late will risk mixing “bubbles” and so we ask that you ensure your child is on time for school every day but not any earlier than 10 minutes before their allotted time slot.

Food will not be available from the canteen as it has previously been. Students requiring lunch will be required to pre-book a packed lunch. **All other students must bring a snack and a packed lunch to school each day.**

Behaviour

In order to keep our students and staff safe, we continue to hold high expectations for all students. These will be explained in detail to all students during beat time but during the Government imposed restrictions, we have introduced SAFE expectations to support updates to our behaviour policy. The COVID behaviour appendix can be found here - please read this and with your child to prepare them for their arrival to Kingsdown

Safeguarding

The summer is a fantastic time for children to relax and let their hair down. As the weather is nice, they are more likely to go out and meet with friends. With this in mind, it is important that as a parent you are able to support them with messages about being safe. Click on the link below for additional information
